BAF Consulting on behalf of the
Australian Building Codes Board
invites you to register for the

Building Code of Australia 2013

INFORMATION SEMINARS

**Also featuring presentations
by Standards Australia**

**This is your opportunity to hear about
amendments included in NCC 2013. As building
practitioners, you can't afford to miss out!**

The Australian Building Codes Board (ABCBC) is finalising updates to the 2013 National Construction Code (NCC), and as members of the building and construction industry you need to know what changes are coming into effect. Presenters from the ABCBC will inform you of these changes at a series of Information Seminars, commencing in February 2013, in a capital city near you.

The Information Seminars will play an important role in raising practitioner awareness of Building Code of Australia (BCA) amendments scheduled for 2013. The half-day sessions are an opportunity not to be missed, and will also feature a presentation by Standards Australia, on changes to Australian Standards.

If you are involved in the building and construction industry then you should attend – **the NCC takes effect on 1 May 2013**
